Wholesale Price List

1929

of

PEONIES

Prices herein are for the trade only and are absolutely net, without discount. Divisions are strong 3 to 5 eye standard size made from two and three year old plants, thus insuring vigorous stock.

All varieties are guaranteed to be true to name and in healthy condition.

All stock offered subject to being unsold upon receipt of order.

We do not supply less than five at the ten rate, or 25 at 100 rate.

For description and other varieties carried, see our retail list.

Plants are shipped any time after September 1st—no roots shipped in the spring; no charge for packing.

No order accepted for less than \$5.00.

In ordering less than five of any one variety, take the retail price list and deduct 30% from price per each. The above discounts apply to any variety listed \$35.00 or less per plant.

This applies while surplus stock lasts.

All shipments made at the purchaser's risk and if shipping instructions are not given, we use our best judgment.

Terms to new customers, cash with order or before shipment is made, or satisfactory references.

Our reference, The Continental Illinois Bank & Trust Company, Chicago, or Glencoe State Bank, Glencoe, Ill.

The standard of excellence of varieties is indicated by the ratings given in the last ballots of the Peony Society as herein quoted.

We may be able to quote you attractive prices on varieties other than those listed.

Let us know your wants. Ask for special prices on lots of 250 to 1,000.

IRISES

We are not issuing a wholesale list of Irises this season. We may be able to make you some close prices on some varieties in our retail list, and will be glad to quote you upon request such items as we have in surplus.
